

Lesson 26- Federalism

PART 1

- 1- Introduction of federalism.
-<https://www.youtube.com/watch?v=faMh6OYfuNE>
 - 2- The students will then define federalism and identify its origins in America. (At this point in the semester the students should be able to define this one their own.)
 - 3- How did we get from Dual to Cooperative Federalism? (Students will need to define and explain the results of these cases after reading the pages below.)
 - a. Interstate Commerce (p.187-188)
Gibbons v. Ogden (1824)-

Heart of Atlanta Motel v. US (1964)-
 - b. Grants (p.188)
SD v. Dole (1987)-

Grimm v. Gloucester County School Board (2016)-
 - 4- So where does this leave us?
 - a. <http://www.wtvm.com/story/28131967/hcs-looking-to-solve-effects-of-federal-lunch-regulation>
 - b. <http://www.pbs.org/video/2365002730/>
-

PART 2

- 1- Define "Laboratories of democracy"-
 - a. Give an example when state programs have be adopted at the federal level?
 - b. In the future, what areas could be adopted at the federal level?
